I just posted the latest RI/FS progress report to the U drive. Since Mark is doing an outstanding job getting documents coded, could you send this AR document for his review?

Good morning Lori,

Thanks a million for processing in SEMS all of the documents that Roger H. potentially identified for the site file and AR. I am pleased to report that I have finished the attorney processing on my end (except for the 2 large files that you will be posting on the I:/file). I couldn't be happier to have the site records management up-to-date. Special thanks for getting all of this done so quickly!!

Mark
